- After learning/completing practical under supervision, get logbook signed from the faculty of the department involved in teaching/demonstrating skills.
- Handle the equipment with care.

Logbook
Physiology Practical done in Physiology Lab of
LIMHS First Year MBBS

Practical	Methods of Demonstration	Scheduled Date	Name of the faculty who taught/demonstrated the practical	Signature of faculty.
Introduction to Microscope	Theory Demonstration			
Sterilization	Theory Demonstration Spirit swab Autoclave Picture			
Introduction to Power Lab	Theory Demonstration			-
Hand washing	Theory Demonstration			
Hemoglobin concentration (Sahli's method)	Theory Demonstration			
Estimation of erythrocyte sedimentation rate (ESR by wester green method)	Theory Demonstration			
Blood groups ABO/RH system	Theory Demonstration			
Muscular twitch response	Theory Demonstration on Power Lab			
Pulse rate	Theory Demonstration on Power Lab			
Blood pressure	Theory Demonstration on Power Lab			
ECG	Theory Demonstration on Power Lab			
Respiratory adaptations during standing, sitting and swallowing on power lab	Theory Demonstration on Power Lab			
Record the lung volumes and capacities on power lab & plot a graph	Theory Demonstration on Power Lab			

Logbook
Physiology Practical done in Physiology Lab of LIMHS

Second Year MBBS

Practical	Methods of Demonstration	Scheduled Date	Name of the faculty who taught/demonstrated the practical	Signature of faculty.
Superficial reflexes and deep reflexes	Theory Demo on students			
Body temperature	Theory Demo on students			
Cerebral function tests	Theory Demo on students			
EEG	Theory Demo on power lab			
Examination of oculomotor, Trochlear and Abducent nerve	Theory Demo on students			
Examination of facial and trigeminal nerve	Theory Demo on students			
Examination of Glossopharyngeal Vagus, Accessory and Hypoglossal nerves	Theory Demo on students			
Examination of taste & smell sensations	Theory Demo on students			
Examination of the Optic nerve	Theory Demo on students			
Examination of the Vestibulocochlear nerve	Theory Demo on students			
Administration of Nasogastric Tube	Theory			
Calculation of BMI	Theory Demo on students			
To pass the urinary catheter	Theory			
Pregnancy test	Theory
